The vessel at her dock at 10 o'clock today, when she left London for New York.

Great Britain.
The loan bill of £5,000,000 was read a third time, and passed on the night of the 1st by the Commons, and was ordered to be committed to the Lords.

The monthly returns of the Board of Trade are published. Owing to the falling off of about £400,000,000, the Board have expected a decline, owing to the small demand for railway works in the United States.

Sir John Burgess was before the House of Commons, and gave some important evidence in relation to the conduct of the war in the Crimea.

The Budget has virtually passed both Houses, but it is in opposition to the House of Commons, and is in opposition to the House of Commons.

Throughout the country a strong feeling against the Ministry is manifest, by indignation meetings, and a feeling of indignation against the Ministry is manifest.

A meeting of the inhabitants of London will be held, at which an attempt will be made to organize a national association to be organized.

Simultaneous meetings, prompted by leading men, are to be held in Liverpool and other towns.

France.
The Emperor of the French had a journey to the front, and he was in the front line.
